

St. Joseph's
Roman Catholic Church
46 North Main Street
Holland NY 14040

Dear Faith Formation Family,

Our Religious Education program will be starting on October 18th. There will be many things that stay the same. Our teachers will be following lesson plans as well as using the church for some activities. Some of the changes are listed below to ensure our teachers and students are safe during their class time with others.

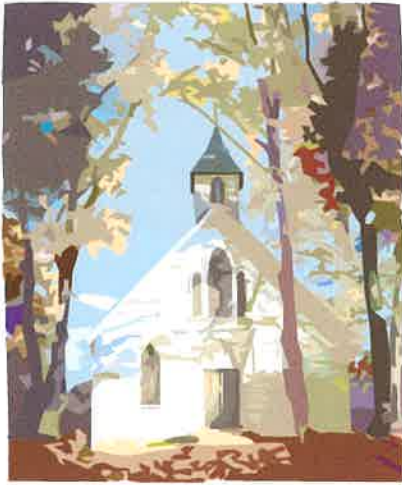

As I am learning any suggestions, questions or issues will be appreciated. As things come to my attention we will implement, address or change as needed. Most important is the role of parents and our teachers supporting families in teaching children our Catholic faith.

- All staff, students and parent need to wear mask dropping and picking up their child.
- All teachers and students will stay with their class during the entire religious year; there will be no mixing of classes for group activities.
- Please keep your child home if they have a fever.
- Students will sanitize their hands when they arrive in the classroom and when leaving the classroom.
- All snacks and drink will be provided and all consumption will be in the classroom, no group gatherings. Please inform me of any issue with any allergies or diet restrictions.
- When using the church for activities, classes will be taken upstairs, classes will be moved upstairs class by class and seating will be using the recommended 6ft. social distancing.

Please feel free to contact me with questions or concerns at 716-537-3354.

Thank you

Roberta Herr
